Attention: Mr. Scott Clemons

Dear Scott,

Thank you and your team for the professional job installing our video equipment at . Over the past few years its' always been a pleasure working with you and knowing that we always can count on a job well done. Also, thanks for working around our difficult schedule to insure we have the security we need.

Please let me know I can do anything to assist you. We at are looking forward to continuing our relationship for all our Video Installation requirements.

Sincerely,

Phil L. Snodgrass
Vice President Operations
