Dear Brian:

I just wanted to drop you a note and let you know what a pleasure it has been working with the professionals that you are fortunate enough to have in your employ. We have received superior service every step of the way. Specifically, I want to tell you that Jeff Gravley, Jason Hrozek and Justin Burkhead have been outstanding to work with because of their experience, knowledge and team attitude. It really makes my job easier when I have an organization that I know I can depend on – such as yours! Thanks for a very large and complex job that was WELL DONE!

We look forward to our next opportunity to work together!

Sincerely,

Robert C. Bailey
